Church Matching Grant Program

Making an Eternal Investment

Helping a congregation fund their college expenses is a worthwhile investment. A church or ministry contribution helps produce Christian leaders to change the world! In an effort to promote wise financial stewardship, Regent University established the *Church Matching Grant Program*. To date, more than 200 churches from various denominations have partnered with us.

Regent University matches recognized Church/Ministry contributions dollar-for-dollar up to specified limits. Additionally, enrollment status will affect Church Match eligibility. Note the following:

Enrollment Status	Regent Will Match…
Full-time	100% of Church/Ministry contribution (up to $750/semester)
½- or ¾-time	50% of Church/Ministry contribution (up to $375/semester)
Less than ½-time	0% of Church/Ministry contribution
